

WCU Alumni Association Omega Delta Chapter Serving the Philadelphia Broad Street Run

On May 4th and 5th, the West Chester Alumni Association Omega Delta Chapter helped with setup and distribution of various event materials and tee shirts for the 2018 Blue Cross Broad Street Run.

The Blue Cross Broad Street Run has taken place in Philadelphia on the first Sunday of May since the early 1980's and with more than four thousand runners, it's America's largest 10-mile road race.

Though none of the members competed in the race this year, they were still able to join in on the fun by serving along with hundreds of others to contribute to the success of the Broad Street Run.

Congratulations to all of this year's Broad Street runners and volunteers that made this event possible!
