

Omega Delta Alumni Association of WCU Helping Serve During National Night Out 2018

On August 7, 2018, the Omega Delta Alumni Association, and West Chester University undergraduates of Omega Delta Chapter of Omega Psi Phi participated in the National Night Out in West Chester, Pennsylvania. The National Night Out event is an annual, community-building campaign that promotes community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live.

In addition to local police, the alumni association members were able to connect with other first-responders such as state police and firefighters, local businesses, and community leaders like Pennsylvania Representative Carolyn T. Comitta. Chapter members made valuable connections with key leaders and were able to further demonstrate their commitment to becoming an integral part of the West Chester community.

The chapter participated at the request of West Chester Mayor Dianne Herrin. Chapter members served and supported by helping to set up stations, which served food, drinks, crafts, and other activities.
