

OMEGA DELTA ALUMNI ASSOCIATION HELPS BAG HUNGER

On September 18, 2018, members of the Omega Delta Alumni Association of West Chester University joined forces with the local ShopRite to help provide hope and stability to the West Chester Food Cupboard.

Across the U.S., ShopRite stores host annual Partner in Caring and annual Help Bag Hunger Day events. According to the Food Marketing Institute, Partners in Caring events donate \$3 million each year to local Feeding America Food Banks. To do their part in helping, Omega Delta members bagged groceries, helped shoppers to their vehicles, and sold raffle tickets to raise money that goes directly to the West Chester Food Cupboard.

Omega Delta President, Darius Taylor said, “We are happy to partner with ShopRite as both of our organizations have a similar commitment and mission to engage the community and fight against hunger.”
